

MAKE IT SIMPLE

Essential Pro is our simplest and most functional juicer, ideal for any type of café or bar where what matters is that it is simple to operate but without giving up maximum service quality.

It provides quality fresh juice, with a great flavour. It extracts the best out of each citrus fruit without essential oils in a really simple and easy way.

Essential Pro Silver

Essential Pro Graphite

Essential Pro Orange

PRODUCT HIGHLIGHTS

ACCESSORIES

KIT SQUEEZING KIT

Perfect to squeeze smaller sized fruit, specially small oranges, tangerines and limes; with diameters from 65 mm to 45 mm. Easy installation and disassembly.

ELEVATION KIT

Very practical set of legs to elevate the machine thus facilitating easier countertop cleaning.

DYNAMIC CUTTING SYSTEM DCS

Only suitable for processing ripe citrus. The blade moves up to help the cutting of the fruit.

COUNTERTOP KIT

Connects the machine and the countertop thus improving waste management with an integrated solution.
