Warranty INFORMATION

90 Day Limited Warranty

A 90-day limited warranty, beginning from the date of delivery, is valid on new equipment and to the original purchaser. This warranty ensures the product will be free of material or workmanship defects. At its own discretion, CenPro will provide replacement parts, replace the unit, or issue a refund for the original purchase price. This warranty is non-transferrable.

CenPro's 90-day limited warranty does not cover:

- Mobile applications where damage may result due from improper securement to the floor.
- Products that have been modified or used in any way other than their intended use.
- Any products sold outside the continental United States.
- Any products where the original sale cannot be determined. Users must be able to provide proof of purchase, using an order number, invoice, or receipt.
- Labor or service not authorized by CenPro.
- Compensation for freight damage must be arranged with the carrier and requested at the time of delivery.
- Exposure to corrosive cleaners or other chemicals not intended for use on aluminum or stainless steel will void the warranty.
- Use outdoors will void the warranty.
- CenPro is not liable for any parties that experience loss of product, business, or other expenses, or consequential damage.
