- Wire form basket hanger
- Two twin baskets
- 6" (152 mm) adjustable legs
- Drain pipe extension

## Options & Accessories

- Stainless-steel sides
- Frypot cover
- Casters

## Specifications

### **Basic Frying At Its Best -- Designed For All-Purpose Affordable Frying**

Fry a wide variety of products with the full size frying area which easily accommodates items from appetizers to specialty foods -- chicken, fries and breaded products, fresh or frozen.

Make the most of your energy dollars with our fully submersed element package. Heat absorption is maximized by full contact with the oil, allowing quick heat-up time and lower energy consumption per pound of product cooked.

Dean's wide cool zone design minimizes wasteful oil deterioration by trapping debris under the cooking area, preventing carbonization of particles and oil contamination. The sloped bottom permits fast, easy draining of oil and sediment.

Assure rapid recovery with Dean's snap-action thermostat which reacts quickly to changes in load conditions and helps eliminate loss of time incurred waiting between loads.

The fryer carries a one-year warranty -- parts and labor with a five-year limited warranty on the frypot.
