# Glo-Ray 2-Go™ Heated Shelves

Models: GRS2G-3920-2, -3, -4, -5

The Hatco Glo-Ray 2-Go™ Heated Shelves are designed specifically for your delivery and carry-out needs in mind. Capable of holding a great quantity of hot food items at optimum serving temperatures, the GRS2G models hold bags and boxes up to 30 minutes with a high temperature range of up to 200°F (93°C).

## Standard features

- Shelves are 20" (508 mm) deep and 39" (991 mm) wide, large enough for pizza boxes and bags, which will easily fit into the 13" (330 mm) clearance of each shelf
- Touchscreen control with digital read out indicates separate heat and timer for each shelf
- Standard units feature shelves with heated bases that are thermostatically-controlled and have a stainless steel frame
- The cord is recessed into the bottom shelf at a 45° angle, allowing the unit to be flush against either wall
- Unit comes with side wall mounting brackets, 6" (152 mm) adjustable flanged feet that can be bolted to the floor and a 6" (1829 mm) recessed cord and plug

GRS2G-3920-5
