- Carrying case
- 6 glass vials

Optional Accessories

- 1400035 Carton of 48 glass vials

Warranty:

- 90 day, carry-in parts and labor

Univex Corporation

Warranty Details

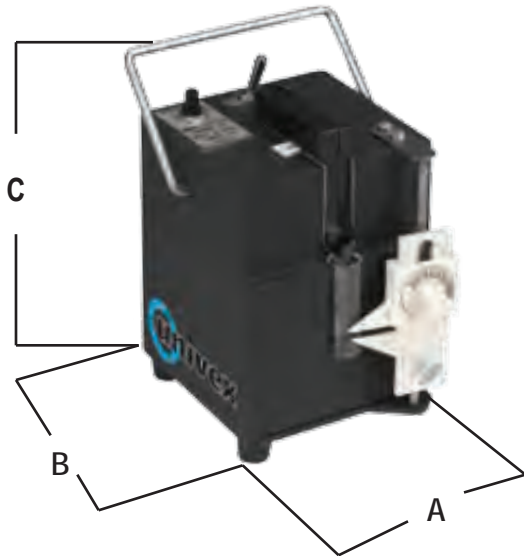

The FA73 units carry a 90 day, carry-in parts and labor warranty against any flaws in materials and workmanship. This period begins on the date of the purchase and, provided the unit is used in accordance with our instructions, is in full effect for 90 days from that date. Any work performed under this warranty must be performed between the hours of 8am and 5pm Monday through Friday. Univex will not pay for overtime charges for work performed other than during normal business hours. Damage incurred in transit or from installation error, accident, alteration or misuse is not covered. Univex shall not be liable for any consequential compensatory, incidental, or special damages. Contact the Univex service department for any warranty claims.

Exacting Standards, Just Like yours, since 1948

Ground Beef Fat Analyzer

FA73

A: Width
5.5" (140mm)

B: Depth
5.4" (137mm)

C: Height
5.6" (142mm)

Electrical: 115V, 60Hz, 1P

Finish: Black wrinkle enamel

Standard Equipment: Sample measuring device, carrying case, and 6 glass vials

Optional accessories: Case of 48 additional glass vials

Calibration: The FA-73 is a self calibrating machine as each time you measure the fat content you are setting the machine to read zero. No external calibration is needed, ever.

Accuracy: The FA-73 was tested against the AOAC method of determining fat content as well as the Modified Babcock method. The test was done with three samples of regular, lean, and extra lean meat being tested and averaged; the results are within 1%.

	<u>AOAC</u>	<u>Modified Babcock</u>	<u>Univex</u>
Regular	23.84	24.7	24.1
Lean	21.58	21.8	22.1
Extra Lean	15.21	16.1	16.2
