## THE MESA DIFFERENCE

### MESA SAFE COMPANY INTRODUCTION.

**Mesa Safe Company** was founded in 1981 on the premise of providing high quality safes at a competitive price.

Using his expertise as a locksmith, the founder has been designing and building safes with the knowledge that only someone who legally breaks into safes has.

## BETTER MESASAFE THAN SORRY!

With over 40 years of experience in the safe and security industry, Mesa Safes are built using high quality, all steel construction and superior locking systems. This is what we call **"The Mesa Difference"**.

### The Mesa Difference:

**Plastic is for toys**

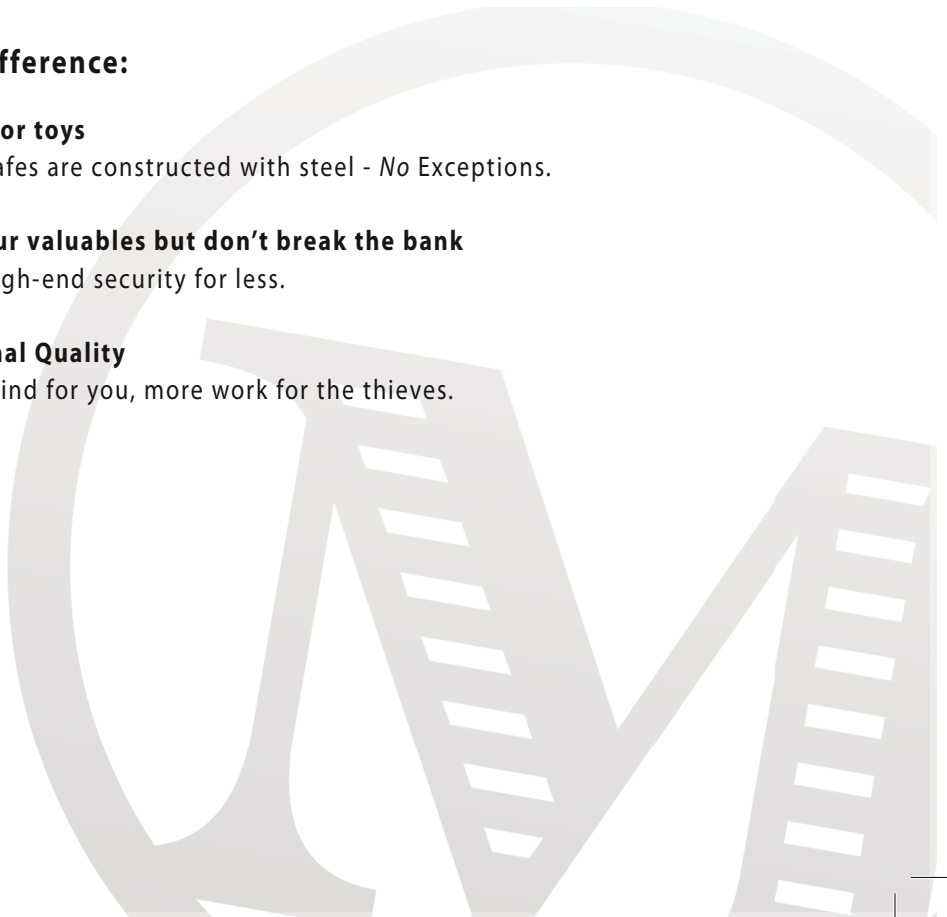

All Mesa Safes are constructed with steel - No Exceptions.

**Secure your valuables but don't break the bank**

We offer high-end security for less.

**Professional Quality**

Peace of mind for you, more work for the thieves.

# CUSTOMIZING YOUR SECURITY

## MESA SAFE CUSTOM SAFE DESIGN & MANUFACTURING.

### LOOKING FOR THE IDEAL SAFE OR SECURITY STORAGE CONTAINER BUT CAN'T FIND IT?

MESA SAFE COMPANY offers a complete customization of safes upon request. We understand the importance of protecting one's property. We are prepared to assist you in building a complete security storage space per your specific requirements and desired features. Our respected team of professionals are eager to help you design, construct and execute the perfect safe: *yours!*

### PERSONALIZED PROTECTION : WHO COULD ASK FOR MORE?

No two people have the same ideas about their safety and security. From small businesses to extensive corporations, everyone has the right to secure their property and valuables however necessary. Safes- being the #1 means of securing physical property - come in all shapes, sizes, colors and with various features. However, for some, these safes may not fit to personal specifications and, or, desires for protection of their valuables.
